SCENARIO ACTIVITY...

For this activity, you will have different scenarios that may happen within Claire House.

It is your job to debate which members of staff could help.

Try to think about...

‘Who can help?’

'How do you think they could help?'

'Why do you think this is the best person to resolve the problem?’

‘Could anyone else also help?’

Scenario 1:

A child in the Hospice is crying.

Who can help and how?

Could a nurse help?

Could a play specialist help?

Could a complementary therapist help?

Could a physiotherapist help?

Could a counsellor help?

Could a fundraiser help?

Could an ICT technician help?

Scenario 2:

Some one turns up at the Hospice wanting to make a donation.

How can help and how?

Could a nurse help?

Could a play specialist help?

Could a fundraiser help?

Could an ICT technician help?

Could a shop manager help?

Could a Communications officer help?

Could a acilities and estates manager help?

Scenario 3:

A child is in pain in the Hospice.

Who can help and how?

Could a nurse help?

Could a play specialist help?

Could a complementary therapist help?

Could a physiotherapist help?

Could a counsellor help?

Could a fundraiser help?

Could an ICT technician help?

Scenario 4:

The Hospice needs money to buy a new bed.

Who can help and how?

Could a nurse help?

Could a play specialist help?

Could a fundraiser help?

Could an ICT technician help?

Could a Communications officer help?

Could a acilities and estates manager help?
