I CAN BE ANYTHING LESSON PLAN

STARTER

Ask the question "What do you want to be when you grow up?"

Remind pupils it is okay not to know!

INTRODUCTION

Introduce what Claire House is by using the PowerPoint provided.

Explain that you are going to learn about some of the staff that work there and find out what their jobs are like.

Show the PowerPoint which introduces each section of the organisation and some of the roles within it.

ACTIVITIES

1. Explore the pack-give pupils time to look through the pack and read what roles interest them.
2. Scenarios activity– read the scenarios and debate who could help in those situations from the staff in the pack.
3. Matching activity– can pupils match the job role to the day to day activities that role entails?

PLENARY

You could use activity 2 or 3 for your plenary.

Or ask pupils to discuss what role they might choose for themselves and why. What attributes do they have for that role? If there are no roles that suit them, what would they like to do and why?
